

STATEMENT BY CR17 CAMPAIGN ON FAKE MPUMALANGA EVENT NOTIFICATION

17 October 2017

The CR17 campaign, which supports the candidature of Cyril Ramaphosa as the next ANC President, has noted a fraudulent text message that has been circulated among ANC members about a supposed event scheduled to take place at Mbombela Stadium in Mpumalanga on 28 October 2017.

The CR17 campaign wishes to distance itself from this fake message and its originator, and confirms that no such event has been planned by the CR17 campaign.

While Deputy President Cyril Ramaphosa is expected to visit Mpumalanga on the weekend of 28 October, he will not be addressing an event at Mbombela Stadium with Mpumalanga ANC Chairperson and Premier David Mabuza. Furthermore, the CR17 campaign would not convene any event without consulting all the relevant individuals who will be involved.

Details of the programme for the Deputy President's visit are yet to be finalised and will be communicated through the official channels once finalised.
